BOUNDARIES:
CHRISTMAS TREES FOR
ALL OF EUROPE**

The Henningsen Group has been firmly committed to the dynamically growing European Christmas tree market since 1992. Garden centre groups receive trees fresh from Henningsen's own plantations without diversions or intermediaries.

- **International production with proprietary plantations**
- **Expansive development in European markets**
- **High capacity for European retail groups**
- **International service and logistics system**
- **Customer-specific sorting with brand quality**

**CUSTOMERS BUY BEAUTY:
NORDMANN CLASSIC QUALITY
EQUALS GUARANTEED SALES
SUCCESS**

Every Nordmann fir tree that bears the Nordmann Classic brand label has been inspected and monitored by forestry experts in the plantations to ensure its fine growth and outstanding quality:

- **Growth: symmetrical, even and dense**
- **Freshness: straight from proprietary plantations**
- **Beauty: from the base to the top of the tree**
- **Naturalness: GLOBALG.A.P. certified**
- **Quality: with brand assurance**
